OPEN YOUR WAY TO THE EU WITH ROMANIAN CITIZENSHIP

ROMANIAN CITIZENSHIP

Romania is a developed European country, which has been a member of the EU since 2007 and a member of NATO since 2004. High rates of economic growth, stability, state concern for citizens, circumspect social policy make Romania an attractive option for immigration.

Romanian passport allows to visit **more than 170 countries** of the world, including Canada, in a visa-free or simplified regime, as well as permanently reside anywhere in the European Union, legally work, get an education, and conduct business.

The «Romanian Citizenship Law» provides a possibility of granting the status of a citizen based on ethnic origin, birth, naturalization and in accordance with international agreements. The terms for issuing a passport are **from 12 months**, and this is one of the fastest ways of immigration among the states of the European Union.

BENEFITS OF ROMANIAN CITIZENSHIP

- **Legal employment**

Citizens of Romania can officially work in European companies without the need to obtain additional permits.

- **Education is free of charge**

Romanian citizenship opens an access to free education at universities located in the country and the European Union.

- **Free travels**

As of year 2023, a Romanian passport allows visa-free or simplified visits to 176 countries of the world.

- **Governmental support**

The Romanian government provides citizens of the country with the right to receive social payments, benefits and financial support.

- **Accepting taxation**

Personal income tax is 10%, corporate income tax is from 1-3% (for micro-enterprises) to 16%.

- **Quality medicine**

The healthcare system is at a high level, and insurance medicine allows to use the services of clinics free of charge.
